DESCRIPTION

This unisex softshell 2-layer bodywarmer offers a straight cut designed to retain warmth while remaining comfortable and flexible. The outer shell in polyester/elastane has a water-repellent treatment and the inner layer is black microfleece for insulation. It features a stand-up collar, a nylon front zip with chin guard and puller, and double-needle hem finishes for a clean look. Available in several colours including Ideal Black, Ideal Navy and Ideal Royal Blue, and in sizes XS to 4XL.

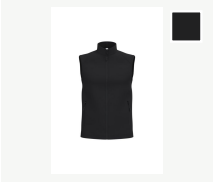

The garment includes two side pockets lined in polytricot with nylon zips and pullers, plus shoulder and back panels with topstitching details. An inner collar taping and a detachable brand label add practical touches for everyday use, while the stretch fabric ensures ease of movement.

This personalised bodywarmer can be decorated by screen printing transfer, MSO transfer, DTF printing, flex (heat transfer) or embroidery. Suitable for companies, sports clubs, associations, schools, events and private customers; our design studio can retouch or vectorise your logo.
