DESCRIPTION

Women’s quilted bodywarmer with a straight cut, designed for versatile wear over a wide range of textiles. Made from 100% polyester with injected padding and horizontal quilting, it features wider quilted panels across the chest and upper back to facilitate decoration. The high collar and centre reverse nylon zip with chin guard provide comfort; elastic binding at armholes and hem ensure a neat fit. It is lightweight and compressible into the supplied storage pouch. Available in sizes XS to XXL and several colours (for example Black, Navy, Ideal Urban Khaki).

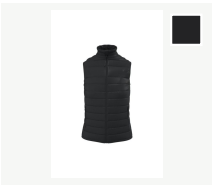

The gilet includes two zipped, lined side pockets and two internal pockets for secure storage. Ton-on-ton zips and matching pullers create a clean finish, and the lack of a brand neck label makes logo application easier. The injected filling varies by zone to optimise warmth and weight distribution.

Personalised from one piece: personalised bodywarmer ideal for companies, sports clubs, associations, schools and private customers. Decoration techniques offered: screen printing, transfer, DTF printing, flex and embroidery. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
