DESCRIPTION

This quilted bodywarmer for children features a straight cut and a stand-up collar to protect the neck. Made from polyester with injected filling, it compresses into a storage pouch supplied with the garment — practical for trips and outdoor activities. It comes in several colours (for example Black and Navy) and in sizes 6/8 to 12/14 years.

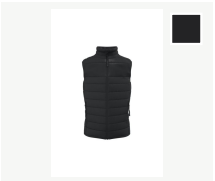

Horizontal quilting, with a wider band at the chest and upper back, gives structure and provides a flat area that facilitates marking. Two zipped side pockets and two inner pockets add functionality, while elastic-bound armholes and hem ensure a comfortable fit. A nylon reverse zipper with chin guard and an internal hanging loop complete the details.

Customisable from a single piece, this personalised bodywarmer can be marked by embroidery, DTF printing, screen printing, transfer MSO and flex. Suitable for companies, sports clubs, associations, events and private orders — our graphic studio can retouch or vectorise your logo before production.

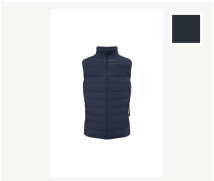

KEY FEATURES

- Larger customisation area on chest and back.
- Multiple pockets for added functionality.
- Storage bag included.
