DESCRIPTION

Men's padded doudoune with a straight cut, made from 100% polyester with a tone-on-tone lining. It features a stand-up collar and horizontal quilting, with a wider quilted band across the chest and upper back to provide structured warmth without bulk. The jacket is compressible and comes with a storage pouch, making it practical for travel and outdoor events. Available in sizes S to 4XL.

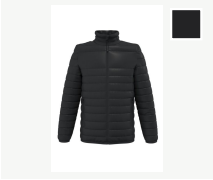

Functional details include two zippered side pockets with 290T lining, two inner pockets, and a front nylon reverse zip with chin guard. Elastic binding on cuffs and hem improves fit, and an internal hanger loop plus the absence of an external brand label simplify customization.

This personalised Doudoune is suitable for Transfert (transfer), DTF printing, MSO transfer and flex. Recommended for companies, sports clubs, associations, events and private customers; our graphics studio can retouch or vectorise your logo for a clean finish.
