DESCRIPTION

This women’s down jacket features a straight cut, 100% polyester shell and horizontal quilting with a stand-up collar for wind protection. Compressible into its included storage pouch, it has 290T lining and pockets, two zippered side pockets and two inner pockets for practical storage. Wider quilting panels across the chest and upper back make it easier to apply prints. Available in several colours (Black, Dark Grey, Navy) and sizes XS to XXL.

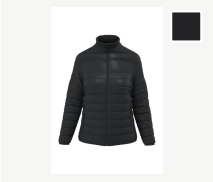

Useful details include tone-on-tone reverse nylon zips with chin guard and zip pulls, elasticated binding on cuffs and hem for improved fit, and the absence of a brand label at the collar (only a size tab) to simplify branding. Lightweight and packable, it is suitable for events, travel and outdoor use.

This personalised down jacket can be customised from one piece and accepts the following techniques: DTF printing, MSO transfer, transfer screen printing and flex. Recommended for companies, sports clubs, associations, schools and individuals. We offer an in-house design studio to retouch or vectorise your logo, a free quote within 24 hours on weekdays, and standard production.
