DESCRIPTION

Waterproof poncho in PVC, model Regal, designed to provide straightforward protection in wet conditions. Its roomy cut covers the torso and arms, allowing good freedom of movement while remaining easy to wear. PVC wipes clean and dries quickly, making this poncho practical for outdoor events and mass distributions.

The poncho folds into an integrated pouch closed with a drawstring for compact storage and convenient transport. Dimensions are 125 x 126 cm, a one-size option suitable for most adults. Visible details include reinforced stitching at the top and a cord for the pouch, ensuring a neat fold and practical everyday use.

Customisation is available by screen printing (personalised poncho) to display a logo or message clearly at events. Minimum order: 25 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and private clients; our graphic studio can retouch or vectorise your artwork before production.
