DESCRIPTION

Unisex emergency poncho, model Sprinkle, made from PE and sized 127 x 100 cm to provide quick protection from rain. The loose cut covers the upper body and keeps the garment lightweight and compact once folded. Care is straightforward: rinse and air-dry, with no absorption thanks to the plastic material.

The poncho is supplied folded in a resealable pouch, convenient to store in a bag or vehicle compartment for easy access. The straightforward construction prioritises practicality: single-piece design without complex fastenings, allowing fast on/off in field conditions.

Customisation is available by digital printing (digital printing), making this item suitable for events, clubs, associations and organisations that need a large quantity. Minimum order: 125 pieces (colours and sizes combined). A practical option as a personalised poncho for promotional campaigns or mass-distribution at events.
