DESCRIPTION

The Magic set is made of polystyrene and includes a segmented transparent case with removable wax capsules — compact dimensions 10 x 2 x 1.5 cm, lightweight and suitable for children's hands. The clear housing keeps colours organised and stackable; the small capsules click in and out for easy use. Care is straightforward: wipe clean with a damp cloth and keep away from heat sources.

Its compact, stackable design makes it convenient for distribution at events, school activities or craft workshops and helps prevent loss while fitting into pencil cases or goody bags.

Customize this personalised writing and colouring set using digital printing or pad printing. Minimum order: 250 pieces (colours and sizes combined). Appropriate for companies, sports clubs, associations, events and private customers seeking a promotional gift or activity kit for children. Free quote within 24 hours on weekdays and an artwork studio is available to adapt or vectorise your logo.
