DESCRIPTION

The Mundi crystal paperweight is an understated desk accessory designed for professional settings and presentation use. Made of glass, it features a globe etched with continents mounted on a cubic pedestal, providing stable placement and a refined visual presence. Supplied in an individual gift box, it suits corporate desks, reception areas or as a gift for clients and partners.

The polished glass and engraved map details catch and diffuse light, highlighting any applied marking. With a globe diameter of 5.5 cm and a compact cubic base, the piece is unobtrusive yet prominent enough to serve as a decorative or commemorative object on a desk or shelf.

The Mundi crystal is available from a minimum order of 10 pieces. We offer customisation for this personalised desk accessory using digital printing, doming, laser engraving or pad printing depending on the desired finish. Recommended for companies, clubs, associations and events seeking a tasteful promotional item or award — request a free quote on weekdays.
