DESCRIPTION

Inflatable beach ball in transparent PVC with coloured panels, inflateable via a standard valve. When inflated it measures approximately Ø23.5 cm, a convenient size for beach games and promotional giveaways. Lightweight and collapsible for easy storage, it can be wiped clean with a damp cloth. Available in several colours such as yellow, blue and orange, suitable for summer events and leisure activities.

The ball features welded panel seams and a visible inflation valve. Its simple construction makes it practical to distribute in large quantities at events or as a branded gift. Care by wiping only; avoid prolonged contact with sharp objects. Model Playtime, Ø23.5 cm.

Customisation available with flex, screen printing, multicolour transfer or DTF printing. Suitable for companies, sports clubs, associations, events and private customers. Minimum order applies: 150 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
