DESCRIPTION

The Siesta inflatable beach pillow is a compact outdoor play accessory designed for comfort during seaside or poolside activities. In rectangular form and measuring 30.5 x 20.5 x 7 cm, it is made from PVC and features horizontal air chambers that provide consistent neck support. It inflates and deflates easily for convenient transport and storage.

The visible construction shows welded edges and segmented air channels that help the pillow retain shape. Available in several colours, for example blue and white. Cleaning is straightforward: wipe with a damp cloth and air dry.

Customisation is by screen printing — a personalised outdoor toy suitable for companies, sports clubs, associations, schools and event giveaways. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
