DESCRIPTION

The Yatch marine bag is a cotton duffel-style accessory ideal for boating, short trips or outdoor activities. Its cylindrical shape with a round base (Ø25 x 45 cm) provides useful capacity, and a drawstring closure doubles as a carrying strap. Made from cotton, it offers a natural feel and a sturdy structure for everyday transport. Available in several colourways, for instance blue, red or black.

The photo shows a two-tone finish with a contrasting lower band and clean seams where the body meets the base. The thick rope drawcord ensures comfortable handling and the cotton fabric stands up to normal use; simple airing or gentle washing is recommended for maintenance.

Decoration options include screen printing on objects, multicolour transfer, flex and DTF printing depending on the desired effect. Suitable for companies, sports clubs, associations, events and private customers looking for a personalised sports and outdoor bag. Minimum order quantity: 50 pieces (colours and sizes combined) — smaller runs may be possible with additional fees. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
