DESCRIPTION

A set of six wax crayons presented in a compact recycled-cardboard sleeve, intended for drawing and colouring activities for children. The wax sticks provide an easy grip and a pointed tip suitable for fine lines as well as filling larger areas. Compact dimensions (9 x 5 x 1 cm) make the pack simple to slip into a pencil case or hand out at events. Composition: wax, non-toxic as stated by the supplier.

The cardboard sleeve keeps the crayons organised and protects the tips. The lightweight pack is practical for workshops, school activities and promotional giveaways. Available in several colour variants.

Can be personalised with digital printing and pad printing on the crayon body or the sleeve. Suitable for companies, schools, clubs, associations and events seeking promotional items for children; minimum order: 200 pieces (colours and sizes combined). Free quote within 24 hours on weekdays, and our studio can prepare or vectorise your logo.
