DESCRIPTION

The Genio wooden paint set contains 66 pieces for writing and colouring, designed with children in mind. In a compact 28 x 21 x 4.2 cm wooden case it brings together coloured pencils, pastels, markers and watercolours in a single neat kit. The timber construction gives a natural feel and a tidy presentation, suitable for home use, classroom activities or craft workshops.

The case opens flat to reveal molded compartments that keep each item secure: slots for pencils, paint pots, a brush, sharpener and eraser. A side handle and two metal clasps provide easy carrying and safe closure during transport, while the compact dimensions make storage straightforward.

This item can be personalised from 10 pieces (colours and sizes combined). Customisation options include screen printing, digital printing, laser engraving and pad printing. Recommended for companies, clubs, schools, associations and events seeking a personalised colouring set.
