DESCRIPTION

The Moonlight transparent pouch in PVC is designed for storing and carrying personal care items. Its rectangular shape with a gusseted base provides useful capacity (24 x 7 x 20 cm). A top zip and an integrated carry handle make access and handling straightforward. The smooth PVC finish holds its shape and is wiped clean easily with a damp cloth.

The pouch comes in several colours, such as transparent, blue or black, and features visible heat-sealed seams for robust everyday use. The zip has a practical pull tab and the flat base allows the pouch to stand upright for easy access to contents.

This personalised pouch can be marked by screen printing on objects, multicolour transfer, DTF printing or flex. Suitable for companies, clubs, associations, events and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
