DESCRIPTION

The Prodigy is a compact PS desk accessory (10 x 5 x 11.5 cm) combining a pen holder with a digital clock, calendar and thermometer. Its rectangular shape with clear sides exposes the central LCD display and provides tidy storage for pens and small stationery. Lightweight and easy to maintain, it wipes clean with a damp cloth.

The front panel features an LCD showing time, date, day and temperature, with a row of control buttons beneath. The design is understated and sits stably on a desk thanks to its flat base; the dimensions make it suitable for workstations, reception desks or promotional stands.

This personalised desk accessory is ideal for companies, sports clubs, associations, events and corporate gifts. Available decoration methods: digital printing, doming, laser engraving and pad printing. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
