DESCRIPTION

Compact 3-piece notepad set for office and meeting use. The Visionmax model is made from recycled paper and measures 8x1.7x10.5 cm; it includes a large note pad, a medium self-adhesive pad and a set of coloured sticky page markers. Flat-bound and slim, it stores easily in a bag or drawer and provides a practical writing surface with low-maintenance paper.

The cover opens flat to allow easy removal of sheets and keeps the sticky tabs organised for quick access. The coloured markers are useful for flagging pages or sections — practical for filing, teamwork and event use. Its compact dimensions make it suitable for desk distribution and promotional packs.
