DESCRIPTION

The Asador barbecue set is crafted from stainless steel and supplied in a rigid aluminium case, suitable for outdoor use at picnics or events. The three-piece kit (spatula, fork and tongs) is neatly secured inside the case with fitted holders; compact dimensions 37 x 10 x 8 cm make it easy to store and carry. The stainless finish is straightforward to maintain.

The hard case protects the utensils in transit, with metal clasps and a carry handle for practical use. A dedicated plaque on the case surface allows clean marking of your logo without affecting the tools themselves.

Customisation available by laser engraving and pad printing. Ideal for corporate gifts, clubs, associations and individuals looking for a personalised barbecue. Minimum order: 5 pieces (colours and sizes combined); free weekday quote and graphic studio support for logo vectorisation and adjustments.
