DESCRIPTION

The Paypay semi-rigid fan is made of PP and designed for outdoor events: round blade with a straight handle and a glossy surface. Lightweight yet firm, it provides an easy grip and a generous face area for effective air movement. Dimensions: Ø16 x 25.5 x 0.5 cm. Cleanup is simple thanks to the plastic finish — a quick wipe is usually enough.

Its straightforward, durable construction has no moving parts and the handle includes a hanging hole for storage. The varnished surface takes print well and holds up under normal use. Available in 1 colour (white).

Suitable for promotional campaigns by companies, clubs and associations, this personalised fan can be decorated by digital printing, screen printing on objects or pad printing. Minimum order: 200 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
