DESCRIPTION

Compact travel sewing set (7 x 6.5 x 1.5 cm) in a PS plastic case with a moulded interior that secures small tools: mini scissors, needles, needle threader, safety pin, buttons and several colour threads. Lightweight and discreet, it's designed for quick repairs on the go and fits easily into a bag or pocket.

The snap-open case features dedicated compartments to keep items organised. The small scissors suit travel use and the multi-coloured threads allow repairs on different fabrics. Maintenance is simple — wipe clean with a damp cloth.

This product is suitable as a personalised travel sewing set and can be decorated by pad printing for corporate gifts, associations, clubs and event giveaways. Note: minimum order 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; pick-up at our Evere workshop or delivery in Belgium, France and Luxembourg.
