DESCRIPTION

Neoprene sleeve made of PET-EVA, designed to protect a 14" laptop. The flexible yet durable construction (supplier notes 2.5 mm) provides padded protection and a smooth surface; rectangular cut with a zip closure for quick access. Dimensions 34 x 3 x 24 cm, finished for a professional, business use.

The product shows clean lines and discreet stitching around the edges, with no external pockets. PET-EVA is low-maintenance — wipe clean with a damp cloth for routine care. Compact profile fits inside a larger bag or can be carried on its own for short trips.

Customisation available by screen printing on objects, multicolour transfer, DTF printing or flex; recommended for companies, sports clubs, associations, events or corporate gifts. This is a non-textile item — minimum order 13 pieces (colours and sizes combined); lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays; standard production and express options available; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
