The Totecolor shopping bag is a 40x40 cm PP non-woven tote with long shoulder straps, designed for everyday lightweight carrying. Its square cut and textured non-woven fabric make it practical for trade shows, events and retail giveaways, with a neutral unisex shape suitable for a wide audience.

Construction details visible include a reinforced top hem and stitched long handles fixed along the bag's height for reliable everyday use. The bag is offered in multiple colours, for example Black, Red and Royal Blue, and can be wiped clean on the surface for simple maintenance.

Minimum order quantity is 100 pieces (colours and sizes combined). Ideal for companies, clubs, associations and events, the bag can be supplied as a personalised shopping bag using flex, screen printing on objects, multicolour transfer or DTF printing.
