DESCRIPTION

The Sonora notebook is a compact spiral-bound notebook in recycled paper (14 x 9 x 0.7 cm), designed for quick notes, meetings and on-the-go use. It contains 140 pages (70 sheets) of recycled paper, a secure elastic closure and a top spiral binding that makes one-handed writing easy. A built-in pen loop holds the matching click ballpoint pen made from recycled cardboard and biodegradable plastic, with blue ink. The model is available in several colours, for example black, blue or red.

Practically sized for pocket or bag carry, the recycled cover provides a natural hand feel. The elastic band and pen loop keep supplies together, while the spiral allows pages to be folded back flat for comfortable writing. Compact dimensions make it simple to store and transport.

The Sonora can be personalised from a minimum order of 50 pieces (colours combined) and suits companies, clubs, associations, events and promotional campaigns. Printing and finishing options include embossing, digital printing, doming, laser engraving and pad printing. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
