DESCRIPTION

Men's varsity-style jacket with a regular fit, made from 100% polyester with polyester padding for added warmth. Available in several colours and sizes from S to XXL, it has a clean, straight silhouette that layers well over jumpers or sweatshirts. Care should follow guidance for synthetic outerwear to protect the filling and finish.

The jacket features a short ribbed collar, front press-stud closure and two side welt pockets for the hands. Ribbed cuffs and hem provide a secure fit and reduce draughts. Discreet stitching and the padded construction give the fabric a subtly matte, uniform appearance.

Suitable as a personalised jacket using screen printing transfers, MSO transfer, DTF printing, flex or embroidery. Recommended for companies, sports clubs, associations, events and private customers — it can be personalised from one piece and our design studio can retouch or vectorise your logo.
