Fabric weight	72 g/m²
For	Unisex
Labels and certifications	Oeko-Tex
Country of origin	China
Carton	50 pieces

DESCRIPTION

Lightweight unisex windbreaker made from 100% recycled polyester, treated with a DWR finish for water resistance. It features raglan sleeves for ease of movement, an adjustable storm hood and semi-elasticated cuffs. Available in sizes XS to 4XL and multiple colours, this windbreaker layers well over mid-layers and is straightforward to care for as a technical synthetic garment.

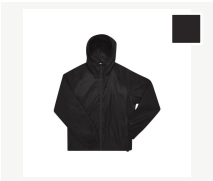

The jacket includes two front pockets, one of which is zipped, and a central zip for easy on/off. Practical details for outdoor use include an adjustable hood, neat seams and a straight hem. The recycled polyester offers a fine texture and good shape retention despite the light weight.

Customisable by screen printing transfers, MSO transfers, DTF printing and flex, this personalised windbreaker suits companies, sports clubs, associations, events and private customers. On a wide range of textile it can be personalised from 1 piece and our studio can vectorise or retouch your logo.

KEY FEATURES

- Water-resistant thanks to its DWR water-repellent coating.
