DESCRIPTION

Children's windbreaker in 100% recycled polyester, designed to block wind and resist light rain with a DWR water-repellent finish. Unisex fit with raglan sleeves for freedom of movement; an elasticated hood and an elasticated hem ensure a secure fit. Semi-elastic cuffs and two front zip pockets add practical functionality. Available in several colours and in sizes 5/6 years to 12/13 years.

The fabric has a subtle technical look and a straight cut suitable for outdoor activities. Visible finishing details—elasticated hood, zipped pockets—make the jacket easy to use and maintain. The garment is supplied no-label to simplify rebranding.

This windbreaker can be personalised from 1 piece: we offer screen print transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private customers looking for a personalised windbreaker.
