DESCRIPTION

Unisex cotton towel measuring 150 x 100 cm, made in thick terry loop (600 g/m²) for a soft, plush feel. The large format provides comfortable coverage for post-swim, shower or spa use; it features a detachable tear-away label for a clean finish. A flat 8 cm panel runs along the length, optimised for clear and lasting personalisation.

The flat panel and dense loop construction help the decoration hold up through regular use and washing; the towel comes in several colours such as Chalk, Light Moka and Navy. One size fits practical needs of hotels, clubs and events requiring a generous towel.

Personalised towel available from one piece using embroidery, ideal on the flat panel. Recommended for companies, sports clubs, associations, schools and private customers seeking a durable, personalised towel.
