DESCRIPTION

Men’s short-sleeve polo in 100% cotton piqué with a straight cut, designed for everyday wear and team use. The 1x1 ribbed collar and sleeve cuffs provide shape and comfort, while the tone-on-tone neck tape reinforces the interior finish. Available in several colours and sizes from S to 4XL, it offers a clean, classic silhouette.

The polo features a three-button placket with pearlescent-effect buttons, side vents for ease of movement and double topstitching at the hem for durability. Shoulder reinforcement and side seams improve fit and wear resistance. The garment comes without a brand label, fitted instead with a removable size tab to simplify branding.

Personalise this personalised polo using screen printing transfers, MSO transfer, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, schools, events and private customers — customisation possible from one piece on a wide range of textile. Free quotes and an in-house design studio are available.
