DESCRIPTION

This personalised sleeveless t-shirt for men features a straight cut and a soft jersey fabric made from organic cotton. It is cut-and-sewn with a 1x1 ribbed crew neck and a tone-on-tone neck tape for a neat, comfortable finish. The armholes and hem are finished with double topstitching and there is no neck label (only a size tag), which simplifies branding.

Offered in several colourways — for example White, Ice Mint and Navy — and sizes S to 3XL, the simple design and quality combed cotton make it suitable for club wear, promotional events or personal use. The organic cotton provides a clean hand and reliable drape while keeping the piece lightweight.

Customisation is available from one piece using techniques such as screen transfer (Transfert Sérigraphique), MSO transfer, DTF printing or flex (flocking). Suited to companies, sports clubs, associations, schools, youth movements and individuals; our graphic studio can retouch or vectorise your logo for production.
