DESCRIPTION

Women’s tank top with a straight cut, made from combed organic cotton single jersey. It features a round neckline and tone-on-tone finishes at the neck and armholes, with the same material used for the binding for a clean, comfortable finish. Cut-and-sew construction and a double-stitched hem ensure a neat look; a size chip replaces a neck label to simplify brand labelling. Available in multiple colours and sizes XS to XXL, it is suitable for everyday wear and easy care.

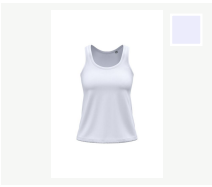

The design prioritises fit and wearability: reinforced shoulders improve support and the no-label detail makes on-brand customisation straightforward. The simple straight silhouette works well worn alone or layered, while the jersey fabric gives natural stretch and breathability.

This personalised tank top can be decorated using screen print transfer, MSO transfer, DTF printing or flex (heat transfer). Recommended for companies, sports clubs, associations, schools, events and individuals — customisable from one piece on a wide range of textile. Free quote within 24 hours on weekdays and an in-house studio is available to vectorise or retouch your logo.
