DESCRIPTION

Women’s round-neck T-shirt with a straight, cut-and-sewn fit designed for everyday comfort. Made from combed cotton in biological conversion, it features a 1x1 ribbed neckline and tonal neck tape for added comfort. Available in several colours and sizes from XS to 3XL.

The tee shows practical finishing: double topstitching on sleeves and hem and a removable size tag instead of a brand label to simplify branding. The fabric has a neat drape and is intended for regular wear; the Coconut Milk shade requires gentle washing to preserve the colour—follow the supplier’s care recommendations.

This personalised T-shirt accepts Screen printing (Transfert Sérigraphique), Transfer MSO, DTF printing and Flex. Suitable for companies, clubs, associations, events and private customers. Our studio can retouch or vectorise your logo; we provide a free quote within 24 hours on weekdays, with collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
