DESCRIPTION

Unisex with a full zip, this recycled zip hoodie combines a straight cut with a brushed fleece interior for everyday warmth and comfort. Made from 50% cotton and 50% post-consumer recycled polyester and enzyme-washed for a clean, long-lasting print surface. It comes in multiple colours—including Forest Green, Light Sand and Navy—and is available in sizes XS to 5XL.

The garment features a polycotton jersey-lined hood with flat drawcords, a kangaroo pocket and a nylon zipper closure. 2x1 ribbing at the collar, cuffs and hem and a tone-on-tone neck tape deliver neat finishing. The lack of a neck label (only a size tab) makes it straightforward to brand.

This personalised zip hoodie can be customised from one piece on a wide range of textile using screen printing, transfer MSO, DTF printing, flex or embroidery. Suitable for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo.
