DESCRIPTION

This children's hooded sweatshirt has a straight cut and a brushed fleece interior for everyday comfort. Made from 50% ring-spun cotton and 50% post-consumer recycled polyester, it features an enzyme wash that gives a clean, durable surface for printing. The hood is jersey-lined and the neckline includes a tone-on-tone jersey tape. Available in several colourways and in sizes from 4/6 to 12/14 years.

Practical details include 2x1 ribbed cuffs and hem, double topstitching on shoulders and armholes, and a kangaroo pocket. The garment is cut-and-sew for improved fit and comes without a brand label (no label), keeping the collar clear for customisation.

This capuche can be personalised from a single piece and suits businesses, sports clubs, associations, schools and private customers. Possible techniques: DTF printing, transfer, flex, embroidery and screen-print transfers. The recycled polyester content makes it a more eco-responsible textile option for clubwear, event merchandise or promotional gifts.
