DESCRIPTION

Women’s French Terry dress with a relaxed, loose cut designed for everyday comfort. It features a round neckline and raglan sleeves for ease of movement, and a ribbed finish at sleeve ends and hem for a clean look. The fabric blend includes organic cotton with polyester for shape retention; the garment is available in several colours (for example Light grey heather, Navy) and sizes XS to XL. There is no brand label at the neck, only a size tab to facilitate clean personalisation.

Two piped front pockets add discreet practicality without altering the streamlined silhouette. The unbrushed French Terry has a soft handfeel while keeping good breathability and durability for regular wear. The dress is easy to care for and suitable for daily use.

This piece works well as a personalised dress for companies, sports clubs, associations, events and private customers. Personalisation techniques available: screen print transfer, MSO transfer, DTF printing and flex. Our graphic studio can vectorise or retouch your logo. Customisable from one piece; collection in Evere or delivery to Belgium, France and Luxembourg.
