DESCRIPTION

Short-sleeve women's dress in a classic tailored cut, made from a polyester/viscose blend with elastane and a stretch lining for added comfort. The round neckline and fitted silhouette create a professional, minimalist look suitable for corporate wear or events. It comes in several colours, including Anthracite Heather, Black and Navy, in sizes 34 FR to 46 FR, and can be personalised per piece as a personalised dress.

Design details include vertical shaping seams to define the waist, a back invisible zip and a small vent for ease of movement. The fabric has a structured drape that helps maintain a neat appearance during daily use, while understated finishes leave room for marking without visual clutter.

Customisation techniques available: screen printing transfers, MSO transfers, DTF printing and flex (heat transfer vinyl). Suitable for companies, sports clubs, associations, schools and private clients who need a plain, professional dress to brand for staff uniforms, events or team gifts.
