DESCRIPTION

Men's shirt with a denim effect, cut in a modern tailored fit and made from 100% cotton. The lightweight weave gives a soft, comfortable handle; features include a classic collar with a decorative inner band, a visible button placket and adjustable cuffs. A special ageing treatment creates a deliberately worn look and colour variations that make each piece unique. Available in several colours and sizes S to 3XL, it combines casual appeal with neat finishing details.

This personalised shirt can be customised from one piece using screen printing transfers, MSO transfer, DTF printing, flex (flocking) or embroidery. Suitable for companies, sports clubs, associations, events and private customers. Our design studio can vectorise or retouch your logo before production.
