Average weight	520 g
For	Unisex
Fit	Straight
Label	No label
Labels and certifications	Oeko-Tex, PETA Vegan
Country of origin	China
Carton	15 pieces

DESCRIPTION

Unisex quilted bodywarmer designed to provide insulation without restricting movement. The outer fabric is 100% polyamide with a top panel in taslon 500D, polyester taffeta lining and injected polyester fill (indicative weight 65 g/m²). It features a high stand-up collar and a sleeveless cut for layering. Available in several colours, for example Black, Navy/Black and Wet Sand/Black, and in sizes XS to 4XL.

The jacket shows horizontal quilting, an inverted front zip and two inverted zipped side pockets. An internal pocket closes with hook-and-loop and there are invisible zips for customization access on the inner back and chest. The hem has an adjustable drawcord with stoppers. The outer fabric is water-repellent and antistatic, and the lack of a brand label simplifies the application of your own mark.

This personalised bodywarmer can be customised from one piece using transfer screen printing, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, events and private customers who need a warm, practical and easy-to-brand outer layer.

KEY FEATURES

- Hem with drawstring and stoppers.
- Water-repellent and antistatic outer fabric.
- Easy decoration access.

COLOURS (3)
