Fabric weight	65 g/m²
Average weight	830 g
For	Unisex
Fit	Straight
Label	No label
Labels and certifications	Oeko-Tex, PETA Vegan
Country of origin	China
Carton	10 pieces

DESCRIPTION

Unisex padded jacket with a straight cut, designed to provide warmth and weather protection. The outer polyamide fabric is water-repellent and anti-static, with a polyester lining and polyester fill for even insulation. The three-part padded hood features a drawcord and stoppers; the central zip is backed by an internal flap. Available in several colourways, for example black, navy/black and wet sand/black, and in sizes XS to 4XL.

Practical details include zipped front pockets with reverse zips and pullers, an internal pocket secured with velcro tape, elasticated cuffs with velcro adjustment and an adjustable hem with drawcord and stoppers. Horizontal quilting and internal access points for decoration (concealed zips at back and chest) make it straightforward to apply branding without affecting the jacket's fit. Supplied without a brand label and with a size chip to simplify customisation.

This personalised padded jacket can be customised from one piece by embroidery. Ideal for companies, sports clubs, associations, schools, youth movements and private customers seeking a warm, brandable outer layer: embroidery.

KEY FEATURES

- Hem with drawstring and stoppers.
- Water-repellent and antistatic outer fabric.
- Easy decoration access.
