Labels and certifications	PETA Vegan
Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

Unisex padded jacket with hood, designed for everyday and professional wear. The straight cut with injected fill provides discreet insulation while the recycled polyamide ripstop fabric ensures lightweight durability. Three-piece lined hood and stand-up collar protect against wind; ribbed cuffs and hem give a clean fit. Available in several colours, including Black and Navy, sizes XS to 4XL.

The jacket features horizontal quilting, two side zip pockets with piped finish and an inner patch pocket with hook-and-loop strap. Front zip closure and an invisible inner zip at the chest and hem allow easy access for customisation without altering the exterior. The quilted construction and recycled polyamide lining enhance comfort and long-term wear.

Customisation available from one piece: recommended technique — embroidery. Ideal for companies, sports clubs, associations and private customers, this personalised padded jacket can receive a logo on the chest, heart area or sleeve; our studio will retouch and vectorise your artwork for production.

KEY FEATURES

- Lightweight, hard-wearing 380T ripstop fabric.
- Eco-friendly composition in recycled polyamide.
- Easy decoration access.
