Average weight	934 g
For	Unisex
Fit	Regular
Labels and certifications	Oeko-Tex
Country of origin	Myanmar (Burma)
Carton	10 pieces

DESCRIPTION

Unisex sherpa-lined fleece jacket designed to combine warmth and wind protection. It features a straight cut with a three-panel hood lined in sherpa and taffeta-lined, padded sleeves for comfortable insulation without bulk. The polyamide outer fabric is water-repellent and windproof, offering a clean silhouette and easy care. Available in several colours and in sizes XS to 3XL, this fleece suits teams, associations and individual customers.

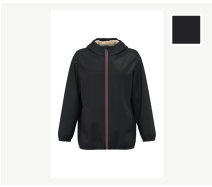

Functional details include piped front pockets with zip closure, an inner chest pocket with hook-and-loop fastening, a chin guard at the zip and elasticated cuffs and hem for fit retention. The hood has an internal drawcord and stoppers, and the interior is finished with the main fabric for durability. Invisible zips at the chest and hem provide access points for back or chest customisation and there is an internal back patch for branding.

This personalised fleece can be customised from one piece by embroidery (embroidery). Our in-house design studio can retouch or vectorise your logo. Recommended for companies, sports clubs, schools, youth movements, associations and private customers; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.

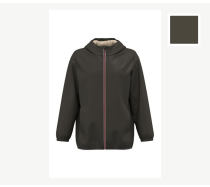

KEY FEATURES

- Water-repellent fabric for optimum protection.
- Sherpa lining insulates against the cold.
