Composition	100% Polyester
Material	100% Polyester
Fabric weight	170 g/m²
Average weight	1010 g
For	Unisex
Fit	Regular
Country of origin	Bangladesh
Carton	10 pieces

DESCRIPTION

This unisex 3-in-1 parka features a straight cut and technical 100% polyester fabric with an internal membrane and thermosealed seams for breathability and waterproofing. A removable fleece lining provides added warmth, while the three-panel hood with peak and drawcord increases weather protection. The jacket is available in several colourways (eg Black, Camel/Black, Navy/Dark Grey) and sizes XS to 4XL.

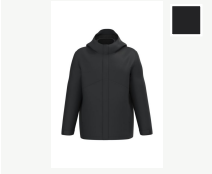

Designed for practical, everyday wear, the parka includes an invisible zip with hook-and-loop storm flap, adjustable cuffs and a drawcord-adjustable hem. Storage is generous: two zipped piped external pockets, zipped side pockets on the fleece lining and an internal phone pocket keep essentials secure and organised.

This parka is suitable as a personalised parka for companies, sports clubs, associations, events and private customers and can be customised from one piece. Possible techniques: DTF printing, screen printing transfer, Flex, embroidery. Our studio can redraw or vectorise your logo prior to production.
