Carton	15 pieces

DESCRIPTION

Men's bi-material bodywarmer offering warmth with freedom of movement thanks to its sleeveless cut. The front and part of the back are in polyester pongee with a polyurethane coating and feature horizontal quilting filled with polyester, while the sides, back and collar use a stretchy fabric (94% polyester / 6% elastane) for a better fit. Lined with 100% recycled polyester taffeta. Straight fit with a stand-up collar and elastic binding at armholes and hem for secure comfort. Available in several colours such as Black / Dark Grey Heather and Mid Navy / Midnight Navy Heather, sizes XS to 4XL.

The garment is fitted with an inverted nylon front zip, two piped side pockets and a chest patch pocket closed by an inverted zip — practical for keeping essentials secure. The quilted front and part of the back provide insulation without bulk, and the bi-material collar panels improve collar stability and comfort.

This personalised bodywarmer can be customised from one piece and suits companies, sports clubs, associations and private customers. Decoration techniques available: Screen printing transfers, MSO transfer, DTF printing, Flex and Embroidery. Our design studio can vectorise or retouch your logo; free quote within 24 hours on weekdays, collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
