DESCRIPTION

This men's bi-material doudoune pairs a quilted front with stretch side panels to deliver warmth and freedom of movement. The front body and a third of the back are quilted with synthetic padding while the side panels, under-sleeves and parts of the collar use a polyester-elastane blend for added comfort. Available in several colourways (for example Black, Dark Grey Heather, Mid Navy) and sizes XS to 4XL.

The jacket features a stand collar with contrasting inserts, a front inverted nylon zip and practical pockets: two piped side pockets and a chest patch pocket fastened with an inverted zip. Elasticated trims at the cuffs and hem improve wind resistance. The lining is recycled polyester taffeta.

This personalised doudoune can be decorated using transfer screen printing, MSO transfer, DTF printing and flex. Suited to companies, sports clubs, associations, events and private customers — personalise from one piece on a large range of textile; our graphic studio can vectorise or retouch your logo, and you can collect at our Evere workshop or opt for delivery.
