DESCRIPTION

Men's sleeveless bodywarmer with a fleece lining, designed for professional use and outdoor activities. The polyester outer with a PVC coating improves water resistance, while the bi-material lining mixes fleece, polyamide and wadding for warmth around the chest and collar. It features a full front zip, angled zipped kangaroo-style pockets, an internal phone pocket and an internal zip specifically for customisation. Rounded back hem and elastic drawcord with stoppers ensure a practical fit. Offered in several colours (e.g. Black, Convoy Grey, Navy) and available in sizes S to 3XL.

Personalised from one piece, this bodywarmer accepts DTF printing, screen printing (Transfert Sérigraphique), transfer, flex and embroidery. Suited to companies, sports clubs, associations, events and private clients, our studio can vectorise or retouch your logo before production for a clean customised finish.

KEY FEATURES

- PVC backing for greater fabric waterproofing.
- Extremely functional, perfect for professional use.
