DESCRIPTION

This children's short has a straight, mid-thigh cut designed for everyday and school wear. Made from enzyme-washed stretch cotton (98% cotton, 2% elastane), it provides a soft hand and comfortable fit. The waistband includes belt loops, a metal zip and button fly, plus an internal adjustable elastic for a secure fit as children grow. It is available in several colours such as Camel, Dark Grey and Dark Navy and in sizes from 5 to 18 years.

Functional details include two front pockets with topstitching and two piped back pockets with rib stitching. Reinforced topstitching at the crotch and front/back panels increases durability, while the hem is finished with a simple topstitch. The garment has no brand label and features a tear-away size tab to simplify personalisation.

This personalised short can be customised from one piece and suits schools, clubs, associations and private customers. We offer embroidery, DTF printing, flex, screen printing, transfer prints and embroidered badges depending on the desired result.
