DESCRIPTION

Men's straight-fit trousers in stretch cotton (97% cotton, 3% elastane) designed for everyday comfort. The twill fabric with a peach-skin finish gives a soft hand and a subtly washed look. Features include a zip fly with metal button, belt loops and sizes from 36 FR to 50 FR. The style is offered in several colours, including Washed beige, Washed black and Washed dark navy.

The trousers have two front pockets with a coin pocket integrated into the right front pocket and two patch pockets at the back. The inner belt loops are lined with a chevron trim for added comfort. Garment-dyed after assembly, so slight colour variations and minor dye transfer may occur; washing separately is recommended.

These trousers can be personalised from a single piece and suit companies, sports clubs, associations and private customers seeking personalised trousers. Personalisation options include embroidery, DTF printing, flex, screen printing, transfers (one-colour and multicolour) and embroidered patches. Our design studio can retouch or vectorise your logo prior to production.
