DESCRIPTION

Women's eco-conscious skirt in brushed fleece designed for everyday comfort. Made from 85% organic cotton and 15% recycled polyester (280 g/m²), the 3-thread LSF brushed fleece offers wash stability and an excellent surface for printing. Straight cut with an elasticated waistband and a flat organic cotton drawcord finished with recycled metal tips for discreet adjustment. Available in several colours such as Black, Clay and Navy, in sizes XS to XXL.

The skirt features two side pockets and a hem finished with a single topstitch for a clean look. There is no brand label at the neck, only a size tag to simplify customisation. Care should follow standard recommendations for treated brushed fleece (gentle washing advised).

Customisation options include embroidery, screen printing, flex, DTF printing and transfer. Suitable for companies, sports clubs, associations, schools, youth movements and private individuals — this item can be personalised from one piece. Personalised skirt well suited for teamwear and promotional use.
