DESCRIPTION

Unisex jog trousers in brushed fleece (80% cotton, 20% polyester) with a relaxed straight cut. They feature an elasticated waistband with a flat drawcord, ribbed cuffs at the leg hem and two side pockets for everyday practicality. Available in several colours (Black, Navy, Oxford Grey) and sizes XS to 4XL. The soft brushed interior provides comfort while the fabric mix delivers reliable wear.

Practical details visible on the product include the wide elastic waist, flat drawcord, standard side seams and ribbed ankle cuffs, which make the trousers easy to pull on and help maintain their shape. Care is straightforward — wash following instructions for cotton/polyester blends to preserve the fleece and elasticity.

These personalised trousers can be customised from one piece for businesses, sports clubs, associations, schools and private customers. Available decoration techniques: embroidery, DTF printing, flex, screen printing, transfer (single-colour and multi-colour), embroidered badges, pad printing and digital printing on items. Free quotes within 24 hours on weekdays and an in-house design studio can vectorise or refine your logo.
