DESCRIPTION

Women's basic jeans in 99% cotton and 1% elastane with a modern cut and mid-rise waist designed for everyday comfort. The denim (390 g/m²) delivers structure with a touch of stretch for ease of movement. Features include a zip fly with metal button, belt loops and five-pocket styling: two front pockets, a coin pocket and two back pockets. The garment ships without a brand label to simplify customisation.

The jeans benefit from a handcrafted treatment that creates an intentionally aged look and natural colour variations, making each piece unique. Clean stitching and a raw, durable finish make it suitable for regular wear; follow denim care recommendations to preserve the fit and finish.

This item can be personalised from one piece and is available in several colours, for example Blue Rinse and Black Rinse. We offer embroidery, flex, screen printing, DTF printing, transfer prints and embroidered patches. Recommended for companies, sports clubs, associations, schools and private customers seeking personalised trousers.
