DESCRIPTION

Men’s cotton twill shorts with a straight cut, zip fly with button and belt loops for everyday wear. The design features four side pockets — two of them patch pockets with flap and snap — plus two rear flap pockets; enzyme washing gives a deliberately worn finish, making every piece unique. Available in several colours, for example Beige, Dark Grey and Dark Navy, and sizes 38 FR to 54 FR.

These personalised short options are available using embroidery, DTF printing, flex, screen printing and transfer prints (single-colour or multicolour) as well as embroidered patches. Personalised from one piece, they suit companies, sports clubs, associations, events and private customers. Our studio can retouch or vectorise your logo before production.
